PERTH WA 6000

Dear Mr Gleeson

The Salvation Army & BML

I have completed the investigations on behalf of The Salvation Army. Such investigations have revealed that the alleged abuse at Lyndon Lodge did not occur.

In all the circumstances, The Salvation Army does not accept the veracity of the complaints made by your client in respect of his time in the care of The Army and accordingly my client is not prepared to make an offer of an ex gratia payment.

Yours faithfully

Nevett *ford*

Philip Brewin
