Dear David

**The Salvation Army**

Thank you for returning to us the signed statement.

We confirm that Major Wally Bryant died on 23 November 1988.

According to the Salvation Army records your complaint is the first time his name has come up.

To enable us to make representations on your behalf concerning the refusal by the Commonwealth Department of Corrective Services to process your application for employment, we would be grateful if you could forward to me copies of all relevant communications such as letters, application forms and any other documents you have concerning your application for employment.

In the meantime, to enable us to further investigate the question of the impact of your conviction on your employability, we enclose consent to check and release national police records. Could you please insert any previous addresses within the last 5 years, your driver's licence and place of issue.

Once completed, please return the application to us in the stamped self addressed envelope enclosed. We will then forward it to Victoria Police with a cheque for \$24.00. The record will be released to you. If in the meantime you have any queries, please do not hesitate to contact Philip Brewin of our office.

Yours faithfully

**Nevett *ford***
