Dear Sirs,

REDACTED

We refer to the recent correspondence between yourselves and our client and to our recent attempt to contact you by telephone.

Mr Anthony Dale acting on behalf of four other victims has agreed to the compensation model. Deeds have been sent to him for signature by his clients. We anticipate being in a position to put the compensation process into effect shortly.

Unfortunately not having heard from you we are unable to take any steps forward in this matter with respect to your client.

We would be pleased if you would contact us as soon as possible to discuss your client's position.

We look forward to hearing from you.

Yours faithfully
 PARKER & PARKER
