Dear Graham

Compensation claims - victims of Charles Alan Smith

I refer to previous correspondence in this matter.

I received your cheque on Wednesday, 12 May 1999 and on that same day exchanged the cheque for deeds of release executed by REDACTED BMF REDACTED REDACTED and BMG

The deeds of release are enclosed and I would be grateful if you would have the deeds of release and the deeds of confidentiality executed as soon as possible.

None of the claimants have sought an apology along with their settlement sums. At this stage, given the difficulties that might be associated with an apology, which have been previously discussed with you, I propose that no apology be prepared unless and until it is requested. If you disagree with this suggestion, please do not hesitate to contact me with respect to the same.

At this stage, there are three outstanding claims to be dealt with. Those are the claims of REDACTED and REDACTED. Mr REDA was represented by Mr Dale and I have been endeavouring to contact Mr Dale to ask whether he still acts for Mr REDA and if so what is the position with respect to Mr RED.

Mr REDACTE and Mr REDACT are represented by country solicitors in Albany and Busselton respectively and I have written to each of them asking them to provide me with their submissions for settlement of their clients' claims.

I will keep you advised of further developments.

Please do not hesitate to telephone me if you have any further queries.

Yours faithfully
