MESSAGE:

Sharron,

In the absence of Colonel McKenzie I wanted to indicate that today, The Salvation Army approved the opening of negotiations with claimants within the individual parameters outlined in your letter dated 14 January and accompanying material.

In practical terms, yourself, Colonel McKenzie and I are now collectively authorised to process any individual settlements that are achieved within those parameters, provided all of the necessary documentation developed by you in 1997 is executed.

It was also noted today that you were re-visiting the concept and drafting of an apology, at my request.

We are grateful for your continuing assistance in these matters.

Regards,

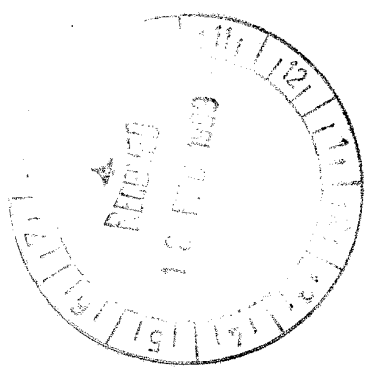

Graham R. Sapwell
