ASSESSMENT OF OFFICER (continued)

PROBLEM AREAS:

No work problems; some family problems that officers worry about.

FREE TIME:

(in relation to length used and attitude)

Free time is adequate. Officers are reasonably relaxed.

IS OFFICER INCLUDED IN PROGRAMME PLANNING ?

Officers do a degree of specialling at various Corps; they soldier at Kings Meadows.

SUITABILITY TO PRESENT APPOINTMENT

Officers wish to stay in this type of appointment at the moment. I endorse this. They would be rather fearful of having to be in charge of a Corps.

RECOMMENDATION RE: FUTURE APPOINTMENT

Continue in Industry work. Continue in present appointment for a further term of service.
