

GHF:RC

22nd November, 1985.

Captain & Mrs. A. Smith,  
Open Door,  
166-170 Boundary Road,  
NORTH MELBOURNE.

Dear Comrades,

Following prayerful consideration by your leaders, it has been decided that you are to farewell from your present appointment and you are appointed to the Bayswater Youth Training Centre as Assistant Officer, as from 15th January, 1986.

Our Officer Staff at this Centre form an important part of the way in which we are able to help the lads and we are pleased for you to contribute from your considerable experience amongst young people. You will be in company with some very fine Officers who are currently appointed.

I wish to thank you both for making such a helpful contribution to the well being of men at the Open Door over the last four years. You have been part of the important changes which have led to the establishment of the Bridge Programme and you have shown real interest and been most kind to the residents. This has meant such a lot. In your new appointment you will continue to be within the care and love of God, and as you look to Him, He will give all the grace you will need.

Marching Orders are enclosed. Please keep the foregoing confidential until 1 p.m. (Melbourne time) on Thursday 28th November. Information regarding luggage and travel is enclosed which you are asked to carefully read and observe. Please let me have your response to this letter.

Yours sincerely,

(Gordon H. Fischer) Lieut. Colonel,  
TERRITORIAL SOCIAL SERVICES SECRETARY.
