To whom it may concern.

I have known Captain  
A Smith for about Seven years,  
During that time, my two boys were in  
his care at the Salvation Army Children's  
Village at Hedlands.

I was pleased at the way Captain Smith  
cared for the boys.

For the past two years, one of my boys lived  
in the home of Mr & Mrs Smith, and was  
looked upon as their own child, and I was  
satisfied at all times, for the way they  
looked after him.
