To whom it may concern

This is to certify that we have known
bapt. Allen Smith for the past seven years.
During most of this time he has had
our nephew ^{BMF} [REDACTED] in his care.

We have always found him to be a
person of good integrity and a man who
with the help of his wife, has devoted most
of his time tending & helping other people, with
their troubles & problems, so much so that his
own normal family life has of necessity had
to be neglected.

We feel that if given the chance his
future life will be carried on in the same
way.
