

Personal!

30th March, 1950

Brigadier Leggett,
Superintendent,
Boys' Home,
BAYSWATER
VIC.

My dear Brigadier,

re CAPTAIN A. CLEE

Thank you for your personal letter of March 29th confirming briefly some of the things we discussed yesterday morning.

I saw the Captain last night, and I think he is beginning to feel a little easier in his mind.

We will probably let the matter stand over for a week or two, and then give it further consideration. The Captain will remain on Sick Furlough for the time being.

God bless you!

Yours sincerely,

(R.S. Harewood)
Colonel.
