Dear Andrew,

On the trip home we found out from CLC that the incident Andrew Mansfield mentioned in the meeting, and dealt with in the boarding house between REDACTED and CLC was related to the corp camp incident.

There was also mention of messages to him on Facebook directly relating to the incident. I am investigating. However CLC is very reluctant to show me any messages.

CLC also mentioned over lunch that he felt harassed by the incident "24/7".

CLC is gradually disclosing pieces of information.

I will let you know about any additional information that we hear so that all can have a clearer picture.

Regards,
EAE
