Gavin,

Keep an eye on all of this, we are dealing with a range of political issues, Jim is quite a problem for us at present.

The solicitor who drafted this is one who has been advising the school to destroy documents, with Jims assistance.

Dear All

Please see the attached drafts which have been drafted by Rod Frail with some input from myself. They have not been approved by me or the School - however in the interests of giving you something to consider, I thought it best to provide working drafts now.

Kind regards

rob
