Scott,

Please find attached a letter of demand from solicitors representing ASA in a matter arising from his time at Knox Grammar School. Could you please advise me as to how the School might respond.

In our conversation today I have outlined some of the background to this claim, I suspect that it may be necessary for a further review of this matter prior to responding to the letter. As you are aware, I noted this matter to you in an email 31 Jan '07 and at that time indicated that the Insurer and Ombudsman had been fully apprised of the matter. Subsequent to that email, the Headmaster has pursued the matter with the private investigator, updated the Ombudsman and will be meeting with the Federal Police (at the Ombudsman's request) in the near future.

I look forward to your comment so that I can indicate to the Headmaster the appropriate course of action.

John
