Scott

Thanks for the chance to discuss a couple of the school claims. I note the following:

1. **Knox Grammar School re:** ASA [redacted] We confirmed the receipt of the letter from the ASA [redacted]'s Solicitor, you acknowledged receipt of this and confirmed that it had been passed on to the insurer. You believed a lawyer has been appointed (it may be Wendy Blacker). I will confirm to the school that the matter is in the hands of the Insurance Company and the only response they need to make should they be approached again by ASA [redacted]'s solicitor is that the matter is in the hands of the Synod and its insurers and that they are pursuing the matter.
2. REDACTED

Regards

John
