Date: 3 March 2000

Dear Steve,

I refer to my earlier communication in connection with this matter (1 March 2000) and wish to advise that since the date of the last Council meeting (16/2/00) I have received the balance of the internal Knox enquiries relating to the matters requiring declaration. There are no known claims, however there appears to be some potential for claim(s) to arise.

I have therefore sent to you by mail names known for possible claims.

*Sincerely,
John Cameron*
