I am a married woman and I live with my husband and [REDACTED]
at [REDACTED] Mildura.

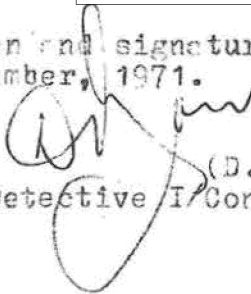

BPI [REDACTED] is my daughter and is aged 17 years, she was born
on the [REDACTED], 1954.

BPI [REDACTED] was a boarder at the Sisters of Mercy Convent from the age of
9 years. When she first went there as a boarder we were living
on my father's property [REDACTED] in New South Wales.

I have been present to-day and have heard what BPI [REDACTED] has told you
in relation to Father DAY. BPI [REDACTED] told me about this just after it
happened and I was so incensed I went along and told Sister
EMERSONIA. I did this because I thought it a matter of conscience.
