VICROADS - Vehicle Enquiries

Good afternoon Rebecca,

Regarding your request, VicRoads are only able to do historic searches (prior to 2002) by vehicle number (VIN number). They are unable to do historic searches by name. If the POI is still alive I can certainly request the vehicles that are currently registered to him.

Let me know if you require a current search.

Regards,

Vanessa Mashford

Media / Photo Enquiries

I contacted the Media Unit.....without a date or if it was on the TV or newspaper or anything like that its really hard to search as all of their articles/releases are saved in date order.

If you speak to the victim again and get any more details let me know

Thanks

Bec
