Re: Review and evaluation of the operations of Yeshivah College (Reg. No. 1533) by the Victorian Registration and Qualifications Authority (VRQA)

Dear Rabbi Smukler

Thank you for forwarding a copy of the mandatory reporting policy and procedures of Yeshivah College, as well as updated school information details, as requested by the VRQA for review purposes.

As previously indicated, reports of past reviews conducted by the VRQA have, in a number of cases, indicated partial or non-compliance with the requirement to provide mandatory reporting procedures, in terms of compliance with the relevant legislation. The documentation you have provided demonstrates **compliance** with that legislation and, accordingly, with the minimum standards for school registration.

In order to complete the review process, and, as a formal undertaking to the VRQA, you are requested to complete the enclosed *Attestation of compliance with the minimum standards and other requirements for school registration*, and return it to this office within 14 days. Please note that the declaration must be witnessed by an appropriately authorised person, as detailed on the attached list.

Please be aware that this attestation includes certification by you of compliance with key requirements introduced since the last review of the school by the VRQA. These requirements are listed at the beginning of the document.

When completed, please return the attestation to the VRQA either at vrqa.schools@edumail.vic.gov.au or in hard copy to Schools Unit VRQA, GPO Box 2317, Melbourne, VIC 3001.

Please contact Geoff Pile (ph: 03 9651 3804, email: pile.geoff.s@edumail.vic.gov.au) if you have any queries relating to the review process.

Yours sincerely
