and Welfare Association,
81 St. George's Terrace,
PERTH.

Dear Father Deplazzi,

With reference to our discussion yesterday concerning the Castledare Orphanage at Queen's Park, I then gave you two copies of a report on that institution following a visit by my Inspector on the 4th instant. This is the first inspection which has been recorded since the new ablutions and school-rooms were completed and the whole report makes very good reading indeed.

Yours faithfully,

SECRETARY.
