BOYS' HOME

WILLIAMS ROAD,

NEDLANDS

*Information 8 pgs
annual report 53
for 20/6/53*

Mr. Young
C.W. Dept.
Perth.

Dear Mr. Young,

The following is a brief report as required by you for your Annual Report.

✓ The Salvation Army Boy's Home is situated at Williams Rd. Nedlands. This is about four miles from the City, the Home itself being in very spacious grounds, which give an abundance of room for the boys to play.

✓ Major F.J. Hicks is the Manager, and is ably assisted by Major Pearce and an excellent staff of Officers.

✓ The Home accommodates 120 boys, at present 98 boys are being accommodated. These are wards of the State and Private boys.

✓ Apart from the usual seasonal ailments the boys enjoy excellent health, the Matron gives excellent oversight here.

✓ At present the inside of the dormitory section is being re-painted, this will greatly improve the inside appearance of the Home.

✓ We are very proud of the Sound System which has recently been installed, this extends to all dormitories, dining-room and playroom.

The boys are very keen on sport and are at present participating in two football competitions.

✓ The schooling is conducted on the Property by the Education Dept. ~~Mr~~ Holten who is the Headmaster is ably assisted by two assistants. There are eleven boys going out to school. Four to the Perth Boy's High School and seven to the Junior Technical School

Trusting this information will be useful.

*Yours Sincerely,
Frederick F. Hicks, Mgr*
