Dear Brigadier Pearce,

Re Educational Assistance Scheme.

Further to discussions with respect to the above matter, this is to confirm an arrangement that extra subsidy for boys attending the special class has reverted from the current rate of £7/10/- per annum to the original amount of 10/- per week per child over the actual school year.

Furthermore, you are aware that you have now been paid in advance to the amount of £60. As from the 25th May, 1964, the 10/- per week per child payment will be reinstated.

Yours faithfully,
