Re: BCB

Dear Brothers:

Thank you for your letter dated December 17 relating to BCB. We appreciate your keeping us informed by both the written and telephone reports. In acknowledging receipt of your letter, we express our appreciation for the ongoing support you have provided as loving shepherds to our dear sister.

Moreover, while we are not suggesting further action at this stage, please keep us informed of any developments. We pray Jehovah continues to bless your efforts to shepherd his flock, and we send our very warm Christian love and greetings.

Your brothers,
