Hey guys,

Please find attached the Children's Services Staff Memo, roster for week 6 & 7 of this term and the latest Y jobs. Please make sure you read over all the info and are aware of your shifts. If there are any shift you are unable to do please let me know a.s.a.p.

Juts a reminder when updating me or communicating with me relating to training, rostering and various other staff issues similar please ensure to use email or drop into the centre to leave me a note on my desk, as this is much easier for me to reply then take the required action. Although text messages are quick and convenient, when I am out of the office this is not the easiest communication method as text messages are read then quickly forgotten.

Please remember that you are more than welcome to use the computers in the YMCA offices (as long as no one is needing to do admin) to check work relayed emails and print off memo's, rosters as required.

Thank you for your support with this. Have a great week everyone!!!

Regards,

Jacqui Barnat
