Subject: Reassurance from the Principal re latest media

Dear Staff,

We are disappointed that Tzedek and the AJN have chosen to continue their campaign targeting Yeshivah. Sexual abuse of children is too serious an issue to be treated in such an irresponsible manner.

We would like to reassure our school and broader community that we are in close contact with the Police who have reiterated **again** in the strongest possible terms that there is absolutely no basis for concern whatsoever in relation to any of our current staff members. The Police have complemented us on our exemplary child protection policies and procedures. I have previously stated, and confirm **again**, that I will stand down any staff member, without hesitation, who is being investigated by the Police or who poses a risk to our children.

Our school community today can be very proud of all we are doing to keep our children safe. At Yeshivah, we are taking a leading role by prioritising child safety, providing training programs and ensuring effective policies to prevent and procedures to deal with issues should they arise.

We have a wonderful school community and I thank you all for your support.
