Subject: Protective Safety Workshops

Hi everyone!

Rabbi Loewenthal, Rabbi Lesches and I will be coming into each class to undertake a Protective Safety Workshop (similar to last year) with your class. The timetable is below.

You don't need to prepare anything but please stay in the room while we do the workshops so you can hear what the boys are learning and join in discussions.

As the Prep classes are large and this is the first time they have done the workshops at school we have divided each class in half. While we are working with one half, you will need to take the other half out, either to the library or outside for the half hour we are in the room.

Thank you so much for your support!

Janet
