Subject: my birthday

Even though you refused to give me last time, 1 week ago, for the birth of a grandchild, as is the normal custom of the shul, it would be a nice gesture of goodwill to give me an aliya this Shabbos in the main shul for my birthday on 25 Sivan, as is the normal Chabad custom **as emphasised by the Rebbe**. I have not had an aliya for the last 4 births of grandchildren, or my birthday last year, which must certainly be an (unpleasant) record for Yeshivah Centre Melbourne.

Please respond by tomorrow night, Thursday, whatever the answer, especially as you did not even answer me the last several times.

Thanking you in advance,

Zephaniah Waks

Note: "you" above obviously includes R Telsner and Herschl Herbst, as well as Vaad Haruchni.
