

BoM
Minutes of Meeting

14/10/2015

Richard Andrews
Rabbi D Slavin
Karen Bauer

1. Further discussion held regarding AIS lack of communication regarding our application to rejoin. It was resolved that we would send a letter to Malcolm Hunt that would detail the following:
 - a. Now have a GM of the school
 - b. Passed our last BOSTES inspection
 - c. Best of our knowledge we have not received any response in writing
 - d. Please advise if our submission was given due consideration, if it was rejected why? What else if required for us to become members of AIS again.
 - e. Notes by BOM that RDDS has attempted on many occasions to talk with Dr G Newcombe
2. Discussed role of Rabbi Dadon within school. The stability he provides to the boys school is enormously positive. We need to ensure that we continue to secure him as an employee for the coming year.
3. Discussed and agreed what each bankwest account would be used for going forward. This will ensure that for accounting purposes money is directed into the correct accounts.
4. LDC – Karen to follow up David Hoy on no action of his company in helping get paperwork completed for submission to council.
5. RDDS confirmed that he had organized ongoing pest control for the issues arisen from the adjoining building works.
6. Karen spoke to the BoM on the progress of the use of SAS by the administration and that the next step would be the use of Reporter Pro for semester 2 reports.
