Dear Ms Feldman

Notification to the Ombudsman involving REDACTED

Thank you for your notification in regard to the above matter, which we received on 4 January 2016.

Having reviewed the documentation you provided, I have determined that this matter does not fall within the Ombudsman's child protection jurisdiction. The documentation indicates that Yeshiva College (the college) employed REDACTED for two weeks at a camp during the summer of 2014/15. The college was not made aware of the allegation of sexual misconduct against REDACTED until 7 December 2015. Under Part 3A of the *Ombudsman Act 1974* (the Act), for an allegation of reportable conduct to fall within our jurisdiction, it must involve a current employee (although the allegation itself may be of a historical nature). REDACTED had not been employed by the College for approximately 10-11 months at the time it became aware of the allegation. Consequently, we do not require any further information from you in regard to this matter and will now close our file.

We appreciate your diligence in notifying us of this matter. If you have any questions about this letter, or would like to discuss any other issue, please do not hesitate to contact me on 9286 0946.

Yours sincerely
