# A Protective Behaviours Evening

Strategies for keeping our children safe

## Guest speaker: Penelope McCencroe

*Penelope McCencroe has been working in child safety for a number of years and is involved in various intra-government committee and consultation groups focussing on the lessons learned at the Victorian Parliamentary Inquiry and Federal Royal Commission. She was a key contributor to the defining of the new Victorian Child Safe Standards. Pen now works with organisations, leaders, parents and carers to support communities and organisations to measure themselves, their organisations and systems, policies, procedures and cultures, against the new Victorian Child Safety Standards.*
