My name is Graham Rundle and would like to comment on Redress.

First point for me is all organizations to accept what happened in there organizations and admit to victims it did happen.

Must do or be forced now to help victims for rest of lives,Medical,dental,housing,mental issues.

They caused most of our problems ,because of what was allowed to go on for years and years.We have been giving a life sentence ,Our full relief from what happened as children, will only leave us when we die.Sad that they were allowed to do this for so long.The familys of victims also who became victims of the victims.Some victims were very harsh on own familys.This must be adressed , as important as for victims.We deserve now to be able to gain back ,our faith in ourselves,all along we were right.IT DID HAPPEN.

COMPENSATION must be paid to all victims where possible.Give them some sort of relief in there [lives.no](#) other way except for them to part with there PRECIOUS MONEY. NOT CONCERNED FOR VICTIMS,ONLY WHAT IS IT GOING TO COST ME. THRY CAUSED OUR PROBLEMS.

MAIN POINTS ARE UNTIL THEY TELL THE WORLD THIS HAPPENED AND WE ALLOWED IT TO HAPPEN,BUT WILL DO EVERY THING TO MEND AND HELP WHERE EVER NEEDED.WE DESERVE NOTHING LEFT.

I WOULD BE DEAD NOW IF NOT FOR THE JOY OF HAVING CHILDREN.CHANGED MY LIFE INTO A LIFE I COULD ENJOY.

NOTHING MORE PRECIOUS THAN CHILDREN.

would like to say more cant .Tears now,They ruined so many LIVES for SELF GRATIFACATION.

Thank you Graham Rundle
