**To:** Royal Commission Solicitor  
**Subject:** outcome

To whom it may concern, I am writing to let you know that the ideal outcome for all State and Church institutionalised, who suffered sexual, physical and emotional abuse at the hands of our carers should be entitled to redress through the State governments directly, so there is know need for the greed of solicitors, I have been and made my statement to the Royal Commission, thank you for listening to me.  
Regards Patricia Slatterie
